BURGESS SWIMS BRITISH CHANNEL

Yorkshireman Crosses to France
in a Little Less Than
24 Hours

DUPLICATES WEBB'S FEAT

London, Sept. 6.—William Burgess, a Yorkshireman, successfully swam the English Channel from Dover to Cape Griz-Nez landing at Cape Griz-Nez at 10:30 o'clock this morning, almost exactly twenty-four hours after leaving Dover. He received telegraphed congratulations from King George.

Burgess has been trying for years to emulate the feat of Capt. Webb in 1875, and several times had been within a mile of the goal, only to be swept away by the receding tide.

Struggles With Strong Tide

On this occasion, which Burgess declared would be his last attempt, he started from South Foreland at 10:50 o'clock yesterday morning. A strong tide was flowing and the swimmer had a hard task to get past Goodwin Sands. Four hours after his departure he was only six miles on his way.

This was the last heard of him until the news of his success in reaching the French shore reached here, and considerably anxiety was felt as to his fate. A heavy fog enveloped the channel last night and the crossing steamers failed to sight the swimmer.

When he landed at Deal this evening Burgess received a rousing welcome, and with difficulty made his way through the cheering throng to a hotel.

"In the time the swim occupied I should have been able to cross the channel twice but for the adverse currents," he said. "Against those I had a terrific fight, and again came within an ace of failing. When approaching Cape Griz-Nez the strong outward set of the current forced me to alter my course three times. I was held up for some time, but when I had rounded the corner I found slack water, and then knew that I was assured of success.

Swimmer Stung by Jellyfish

"It was just in the slack of the tide that I got in. If I had not managed it then I might have missed it and drifted to Calais. It took three full tides and two part tides to take me over. I was severely stung several times by Jellyfish, and while in mid-channel, after a sick spell, I felt heartbroken. Several times I was on the point of giving up. I had hallucinations and saw horrible things—too horrible to relate. I also had trouble with my goggles.

"For a while I was almost delirious, but my pilots, accompanying me in the motor boat, began to sing, and this gave me fresh courage to persevere. I used the overarm stroke all of the way except when my heart gave me trouble. Then I used the back stroke. I kept up a steady 24 strokes to the minute for 15 hours. It took seven and one-half hours to make the last 5 miles.

Final Battle With the Currents

It was 7 o'clock in the morning when the swimmer sighted Gris-Nez semaphore. He was then two miles to the west-southwest. In these two miles it was a battle with the currents, but when Burgess got within the shelter of the cape he swam easily ashore. He stumbled for two or three steps, then walked steadily, without assistance. He looked remarkably fresh considering his long immersion.

Burgess' success followed nine plucky but unsuccessful attempts to negotiate the narrow span of water between the French and English coasts.

Numerous attempts have been made to swim the channel since 1875, when Capt. Matthew Webb swam from Dover to Calais in 21 hours and 45 minutes. Until today no one has been able to duplicate this feat.

When you have that awful pain in the back don't delay but go and buy a box of Bloodine, Blood and Kidney Tablets. They make sick kidneys well. They even cure Bright's Disease and Diabetes. St. Bernard Mining Co., Incorporated, Drug Department, Special Agents.

St. Charles News

is the guest of Mr. Volney Sisk this week.

Mrs. W. J. Faull was in Earlington Monday.

Mr. Banion McGregor, who had the misfortune of getting his leg broken several weeks ago while engaged in loading logs, is improving and his many friends hope to see him out again soon.

Wm. Gribble is able to be out again after a severe illness of two weeks. It seems like home again to see "Bill" on the streets.

Mr. D. D. Woodruff's family, who have been spending the summer in Dawson, returned home Monday.

St. Charles certainly was on the map, Wednesday from the drummers' view, as there were just twelve salesmen here during the day.

The Mammoth Cave contest is over at last, with Miss Willie Jenkins second. After much pondering on the subject, we decided that it would look too bad for us to push her up to first place and compel an Earlington girl to take second, so out of courtesy to the Earlington people we restrained ourselves and let Earlington take first, and we also wish to say that at no time was there more than one future subscription paid by one person.

Friday night the Buick put Sheriff Holmes in the background by discovering the robbery of King's Drug Store at Earlington. Norris King, Jeff Sisk and Max Gilliland motored over to Madisonville early in the evening and Norris King had left an order for a package to be left just outside the door for him to get on his return that night. The party arrived in Earlington about 12:30 and drove up to the drug store. King got out and struck a match in search for the package. It was then that he discovered the door open. Further search showed that it had been broken open by main strength, so leaving Sisk and Gilliland on guard at the door to prevent the escape of the burglar from that direction, he went in search of reinforcements.

Returning with Ed Barnett, they entered the store and turned on the light switch, but the robber had anticipated this move and had gone to each light and turned it off. By the time that they were all turned on again no one could be found, but on investigation the back door was found to be wide open, showing the avenue of escape. In his haste the robber left his shoes and tools on the counter of the soda fountain. Entrance was gained by the use of two iron brake keys used as prizes. The broken lock was found on the table. Nothing was missing except a few pocket knives and some ice cream. Judging from the size of his shoes, which were about number sixes, and his fondness for ice cream, many think he was a boy of about seventeen or eighteen years of age.

Mr. J. V. McEuen opened his store to the public Friday and a great crowd was present from early in the morning to a late hour that night. Delightful music was furnished both day and night by the St. Charles string band, and refreshments in the way of ice cream cones were served to one and all. Besides Mr. and Mrs. McEuen and Miss Ruth McEuen, the store force was composed of Misses Verma and Lynna Galloway, Miss Laura Woodruff, Mrs. Joe Long and Mr. Charlie Long. Mr. McEuen says that he means to have an up to date store and expects a large trade.

The public school had a most auspicious opening Monday morning the 4th. After a most pleasant vacation the teachers and students met in the spacious chapel of the school building at 8:30 a. m.

The school was called to order by Prof. Bell. Devotions were conducted by Rev. J. R. Evans. After Prof.

Bell in his characteristic way set

forth in an address the part which the teachers, pupils and the patrons must play to make the school a success, he then called upon Bros. Evans, Marks and Mr. R. Teague for short addresses which seemed to have been engrossed by the teachers and the student body. There were a large number of patrons present to give inspiration to the occasion. More than 250 pupils enrolled the first day.

Have You Kidney Trouble.

How to Find Out

Fill a bottle or common glass with your water and let it stand 24 hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen, it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What to do

Go to St. Bernard Mining Co., Incorporated and get a 50c box of BLOODLINE BLOOD AND KIDNEY TABLETS and if they do not help you (the drug store) will give you your money back.

There is comfort in the knowledge so often expressed, that BLOODLINE BLOOD AND KIDNEY TABLETS the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. They correct inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of BLOODLINE BLOOD AND KIDNEY TABLETS is soon realized. They stand the highest for their wonderful cures of the most distressing cases. By mail 50c. The Bloodline Corporation, Boston Mass.

Willie Whitsall, son of John Whitsill, of Railroad street, had the misfortune to break his right arm Wednesday. While getting out of a wagon, the horse started forward, throwing him to the ground with the above results. He is getting along very nicely.

A Fierce Night Alarm

is the hoarse, starting cough of a child, suddenly attacked by croup. Often it aroused Lewis Chamblin, of Manchester, O. (R. R. No. 2) for the four children were greatly subject to croup. "Sometimes in severe attacks," he wrote, "we were afraid they would die, but since we proved what a certain remedy Dr. King's New Discovery is, we have no fear. We rely on it for croup and coughs, colds or any throat or lung trouble." So do thousands of others. So may you. Asthma, Hay Fever, La Grippe, Whooping Cough, Hemorrhages fly before it. 50c and \$1.00. Trial bottle free. Sold by all Druggists.

Has Millions of Friends

How would you like to number your friends by millions, as Bucken's Arnica Salve does? Its astounding cures in the past forty years made them. It's the best Salve in the world for sores, ulcers, eczema, burns, boils, scalds, cuts, corus, sore eyes, sprains, swellings, bruises, cold sores. Has no equal for piles. 25c at all Druggists.

Pale Cheeks or Rosy Ones.

Pale cheeks, muddy complexion, dull eyes show a poverty of blood. Bloodline Liver Pills, will drive the impurities from the system, and enables your daily food to supply new, rich, red blood and rosy cheeks. Bloodline Pills cure Liver ills. St. Bernard Mining Co., Incorporated, Drug Department, Special Agents.

Miss Ruby Sisk, who has been visiting in Nebo for several days returned home today.

Hives, eczema, itch or salt rheum sets you crazy. Can't bear the touch of your clothing. Dean's Ointment cures the most obstinate cases. Why suffer? All druggists sell it.

As usually treated, a sprained ankle will disable a man for three or four weeks, but by applying Chamberlain's Liniment freely as soon as the injury is received, and observing the directions with each bottle, a cure can be effected in from two to four days. For sale by all Dealers.

Geo. C. Atkinson left for Louisville this morning.

Don't use harsh physics. The reaction weakens the bowels, leads to chronic constipation. Get Dean's Regulates. They operate easily, tone the stomach, cure constipation.

Notice! Notice!

Another shipment of my 25 bbls. fine Pears are arriving, don't delay your order as they are scarce.
